talimhane tiyatrosu

It was used to be a truck installation factory whereas now by 2008 June **TALIMHANE** is transformed into a contemporary theatre and performing arts centre with covered area of 650 square meter and open space of 1000 square meter in total.

In 1970's it was the first authorised car gallery for Anadol Turkish brand cars, then in 1990's it was a night club and afterwards used as a plot for many films and commercials.

TALIMHANE is between Taksim Avenue and Feridiye Avenue with a 2 minutes walk from Taksim Square which is the heart of Istanbul where 2 - 3 million people walk and pass by every single day. Having had a central location, **TALIMHANE** allows easy access to audience of all kind in Istanbul for all sort of activities.

a) Plays

Talimhane's repertoire will be mainly classical Turkish plays which haven't been produced by others due to lack of courage and financial matters. The Theatre is also aiming to produce the need of Turkish Theatre, plays by young Turkish playwrights who create unique and rich texts, socially and realistically.

b) Kids and Youth Education Projects

Talimhane is surrounded by both culture and money wise rich and poor neighborhoods. Kids theatre, youth theatre, evening classes, open rehearsals will allow those who are not able to have such experience and training.

c) National and International Theatre, Film ve Music Festivals

Istanbul has been hosting some highly respected international festivals. Having the honour of 2010, The European Capital of Culture, Istanbul is now even more attractive. Projects with artists from different countries and backgrounds make the city a crucial gateway.

Having a very central location and capacious space, Talimhane Theatre is open to all kind of different and experimental usage. The theatre is planning to do in house festivals as well as hosting well organized national and international theatre, film and music festivals.

d) Dance and Performances

Talimhane Theatre is aiming to give place to national contemporary dance companies as well as companies from abroad for its programme. The Theatre also plans to work with professional dancers to give workshops for young talents.

Ülkemizden ve dünyadan modern dans gösterilerine programında yer vermek ve dansa ilgi duyan gençlere konusunda uzman dansçılar ile atölye çalışmaları yapmalarına imkan sağlanması hedeflemektedir.

e) Concerts

The Theatre is aiming to organize different styles of music which meets audience at nationally and internationally respected artists' concerts.

f) Workshops

Talimhane Theatre is planning to make inspiring, informative workshops and seminars with themes on different fields such as literature, cinema, design and music.

g) Panels

The theatre is creating environment for artists from different disciplines and sharing their knowledge and experience with audience.

h) Shootings and Showings

The theatre's capacious space attracts people and corporations for shootings, commercials and video clips. Screenings are also aimed in collaboration with national and international film festivals.

i) Events

Companies are welcome to organize events in that unusual space.
